

EMPLOYERS' CW-1 WORKFORCE SURVEY

The focus of this survey is to gather information from businesses who have received denials for their CW permit applications. We would like the information to get to DOL via telephone or email, at the earliest time. DOL is currently compiling the data to demonstrate the impact of the CW permit denials, in terms of how the business revenue is affected, what the businesses are doing to mitigate the loss of their CW employees, and any other information having to do with the CW program.

Upon completion, please email the survey to DOL's Statistics Analyst, Donovan Sablan, at donovan.sablan.dol@gmail.com
